MEDIUM DUTY TRANSIT CUTAWAY BUS

EXTERIOR EXCELLENCE

Our buses feature sleek, seamless exterior panels, rain gutters to ensure passenger comfort, and customizable options like fender flairs and mud flaps to suit your needs.

EFFICIENT INSULATION

High-quality insulation built with 1 ½ side walls provides exceptional temperature control and comfort for passengers and drivers, with a focus on energy efficiency.

ATTRACTIVE FRONT CAP

Our stylish fiberglass front cap maximizes aerodynamic efficiency, complements the Ford or Chevrolet truck body, and offers the option for a front destination sign.

DURABLE & AESTHETIC

Made from resilient fiberglass and coated with a color-matched gel-coat, our front cap ensures longevity, resisting rust and dents.
